natural hues (board 1 of 3)

To view the complete collection of natural hues,
visit our web site at www.quarrytile.com

The natural beauty of ceramic tile lies in its subtle variation of shades.
Manufactured tiles may vary from those shown. Tiles are available with
abrasive content.

Note: Gloss colors suitable for floors with abrasive.
See reverse side for more details.

natural hues colors are available on our Lead-
qualified, environmentally friendly, Eco-Body™
